

GE® 5.0 cu. ft. Capacity Washer with SmartDispense

Model # GTW845CSNWS

- **SmartDispense™ Technology** - An intelligent dispenser that holds up to 48 loads of detergent and automatically dispenses the right amount, saving you time and making laundry effortless.
- **Power Prewash** - Get even the most heavily soiled items perfectly clean in a single cycle that adds detergent, agitates, and soaks, then drains the dirty water and repeats the wash process.
- **Water Station** - Pre-treat your clothes inside the washer with an integrated water station that dispenses water and detergent together, or just water, all at your desired temperature.
- **Built-in WiFi** - Enjoy the ultimate in convenience and the latest in technology with the ability to monitor and control your laundry from anywhere and receive real-time notifications and updates.
- **Dual-action agitator** - Experience a high level of clean with a dual-action agitator that enables a reversing, powerful wash action.
- **QuietWash** - Enjoy a quieter wash and reduced vibration thanks to innovative Dynamic Balancing Technology.
- **Deep Fill** - Customize your water-fill levels with just the touch of a button and fill the tub with as much water as you want so you can wash your way.
- **Multiple Rinse Options** - Ultimate flexibility with your rinse cycles to remove detergent, fabric softener, and stubborn soils with options like Deep Rinse, Extra Rinse and Warm Rinse.
- **10-year warranty** - Rest assured knowing your washer is backed by a 10-year warranty.
- **Sanitize with Oxi** - Remove 99.9% of bacteria with a dedicated cycle that uses an Oxi additive to boost your detergent's cleaning power, while keeping fabrics looking and feeling their best.
- **Auto Soak** - Loosens stains by soaking for up to 2 hours.
- **Speed Wash** - Provides a quick wash for lightly soiled items that are needed in a hurry.
