

GE Profile™ 30" Smart Dual Fuel Slide-In Front-Control Fingerprint Resistant Range

Model# P2S930YPFS

- No Preheat Air Fry - Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray
- Built-in WiFi - This smart oven features built-in WiFi so you can control oven functions with the SmarHq app on your smart device
- Fingerprint resistant stainless - Easily wipe away smudges and fingerprints for a look that's always sparkling clean
- Fit Guarantee - This dual fuel range will fit your existing 30" cut-out, or GE Appliances will help pay for modifications up to \$300. [See offer criteria and details](#)
- Edge-to-edge cooktop - Continuous, edge-to-edge cooktop give you a large cooking space and can handle any cookware
- Tri-ring burner - A versatile burner offers three different-sized flame rings on a single burner element, so it's like having three burners in one
- Reversible grill and griddle - This extra-large, reversible griddle and grill combination lets you enjoy the best in cooking versatility
- Dual purpose center burner - This flexible gas cooktop burner lets you choose between round and oval burner shapes
- Backlit glass touch controls - Backlit touch controls give this oven a high-tech look with a display that disappears when not in use and reappears when touched
- Synchronized clocks and lights - Synchronize your oven and GE Appliances over-the-range
